

III. MARKET

Product(s) of proposed facility: _____

Raw materials and origins: _____

Market areas to be served from this facility location (indicate 3 largest SMSA's serviced within each market area) - Nationwide and International:

	1	2	3
() Texas	_____	_____	_____
() Southwest U. S.	_____	_____	_____
() National	_____	_____	_____
() International	_____	_____	_____

IV. BUILDING SITE

An existing building is: () Required () Preferred () Unnecessary

Desire: () Lease () Purchase () Build-to-Suit

Total Building _____sq. ft Production _____sq. ft.

Warehouse _____sq. ft. Office _____sq. ft.

Outside Storage _____sq. ft.

Type Construction _____

Do you prefer:

() Industrial Park () Port Site () Freestanding Site

() Foreign Trade Zone () Enterprise Zone () No Preference

Size of site: _____acres Parking for _____cars

Other building/site requirements:

- () Sprinkler () Air Conditioning () Loading Docks - How many? _____
() Overhead Crane Capacity # _____ () Floor Specifications - Type _____
() Ceiling Heights _____ () Bay Width / # _____
() Rail Siding _____ () Proximity to major airport _____ mi.
() Interstate Access Proximity _____ Maximum driving time? _____

Special Requirements _____

V. UTILITIES

Electricity:

Approximate KW demand _____ Approximately KWH/month _____

Percent power factor _____

Gas: Natural gas: () Required () Preferred () Not Used

If natural gas is used, state estimated cubic foot usage per month _____

For what purpose? _____

Can alternate fuel be used?: () Yes () No Type: _____

Water: City Water _____ Well Water _____

Water usage per month _____ For what purpose? _____

Sewer:

Volume per month _____ Content _____

Telecommunications _____ Voice Data _____

VI. TRANSPORTATION

Production materials arrive via:

Air _____% Truck _____% Rail _____% Barge _____% Ship _____%

Finished products distributed via:

Air _____% Truck _____% Rail _____% Barge _____% Ship _____%

List related requirements:

- International Air Service
- Corporate Aircraft Facilities
- United Parcel Service
- Other

VII. FINANCING

Total approximate capital investment \$ _____

Corporate Equity Investment _____

Plant: \$ _____ Land: \$ _____ Equipment: \$ _____

Company prefers to: Buy Lease Lease w/option

Does your company desire information on financial assistance? Yes No

VIII. ENVIRONMENT

- Facility will have no environmental impact.
- Facility will affect the environment in the following manner:

	Content	Volume
<input type="checkbox"/> Air	_____	_____
<input type="checkbox"/> Water	_____	_____
<input type="checkbox"/> Sewer	_____	_____
<input type="checkbox"/> Odor	_____	_____
<input type="checkbox"/> Noise	_____	_____

IX. Most Critical Needs of Project

(In Order of Importance)

- (1) _____
- (2) _____
- (3) _____
- (4) _____

X. OTHER FACTORS

Support Services

() Machine Shop? () Sheet Metal Shop? () Heat Treating? () Plating?

() Other support? _____

Other location criteria not already listed: _____

XI. CONFIDENTIALITY

We request confidentiality to the following extent:

() Total (do not release corporate name to anyone until notified).

() You may advise selected community industrial development personnel of our corporate interest.

() Communities may correspond directly with us.

() Plant personnel are not aware of project; send correspondence in plain envelopes marked confidential.

() You may communicate directly with us using e-mail to the following e-mail address:

_____. E-mail must be marked with subject line confidential or code project name_____.

Please check any information needed in the following areas:

Tax _____

Labor _____

General _____

Financing _____

Wages _____

Transportation _____

Community Profile _____

Telecommunications _____

Broadband data _____

Electric Rates _____

Incentives _____
